CERTIFICATE

President of the Office of Electronic Communications certifies the Pro Speed Test native applications for computers with Windows and macOS operating systems, available at <https://pro.speedtest.pl> by V-Speed a limited liability company with a registered office in Oborniki Śląskie. The certificate was issued for the period from December 1, 2022 to November 30, 2024.

Within the validity period of certificate, V-Speed while providing PRO Speed Test for users of Internet access services is granted a license to use the following Certificate logo, on the terms specified in the Agreement concluded on November 10, 2022 between the President of UKE and V Speed:

Abovementioned certification means that the PRO Speed Test application in the period specified above is considered as a certified monitoring mechanism according to Article 4(4) of Regulation (EU) 2015/2120 of the European Parliament and of the Council of 25 November 2015 laying down measures concerning open internet access and retail charges for regulated intra-EU communications and amending Directive 2002/22/EC and Regulation (EU) No 531/2012 (OJ L 310, 26.11.2015, p. 1).
